

Year End Report 2020 Ski Season

Mount Bohemia opened on December 18, 2019 and closed early due to Coronavirus on March 21, 2020. Sorry to say we held no Region or Division events this season. This was an odd season with the melts, freeze, melts, etc.

I would like to thank everyone who came to the Mountain this past season for their help and support.

I invite you all to come and experience some extreme skiing in our next season.

Respectfully submitted,

Patricia A. Asselin
Patrol Representative
Mount Bohemia
